

Beats working

Are you looking for a program that is totally creative, interactive and is a memorable teambuilding experience? "Beats working" is a great way to get people out of the conference room and into a fun and challenging experience! It is amazing what beats to the drum we can create. The audience will immediately warm and see the fun side to the teambuilding event.

Teambuilding can deliver activities and events that give your session or conference the exciting edge. Everyone takes part in this magical performance of rhythm and drums. It is an unforgettable interactive experience no matter the size of the group. The rhythmic communication through drums and percussion reaches everyone. Using the metaphor of an orchestra working together an incredible musical performance is created through a group of people experiencing successful teamwork and communication through drums and percussion 'Simply the best icebreaker to re-energize the group...many thanks, perfect' Telstra May 08. Perfect 45 minute team session from 10 to 1000 pax, yes the beat adds the WOW to the day - ideal as an intro session or as a pm session. Beats Working
