

## 60 mins

### Overview:

60 Minutes is a ratings success, can your team make an interactive a current affairs program where they are the stars of the show. Teams have to direct, create and present their very own version of the popular current affairs program 60 minutes. Do you have what it takes to work creatively within a short period of time, handle the pressure in front of the cameras and stand out. Your team challenge is to make a highly entertaining, informative and superbly crafted current affair program for your company.

Can your team make this show a rating success? Your team's challenge is to produce and star in this hilariously entertaining show. Each team creates and produces their own video segment.

Make your own episode of this popular iconic Australian show.

Cover everything from music to movies, food to foreign affairs to medical emergencies.  
The creative process...

- Your team is assigned one of these subjects to make their groundbreaking piece.
- Everyone in the team has a role to play from production, props, make up, camera work... there is an area in which every person can contribute
- It can include many aspects of your company's business in it in the most hilarious and creative fashion. From tag lines, products to characters there is no boundary to your imagination.
- Allows your people to be shine and be the stars of the event
- Links seamlessly to the evening program where the show goes to air and the teams pieces are shown

In the era of ground breaking news what can your team release for the first time on air? From the weather report, to finance, to Hollywood and what's hot in gossip, the themes are endless!...

We'll find out when we screen your show!

What a perfect way to start the day! Watch your company's own magazine show...
