

# Game plan

This program will keep you guessing right to the end...Emotions run high leading up to the climactic last minutes of this event. There is the thrill of victory and the agony of defeat! And no one knows the winner until the final few excruciating seconds.

Which activities will your team choose in their strategy to win? Who takes the dare? What does it take to succeed?

## Overview

The Game Plan is an exciting, fast paced program where teams choose the activities they play. In return they receive money from which they can then play in a theatrical outdoor live casino with roulette wheel to see if their hard earned money can return extraordinary returns.

That's right! The central playing area is set up as a live casino, with play table, roulette wheels and music where teams can gamble their hard earned money from the activities they have just played and risk their earnings to make even more! Each activity earns different points because of degree of difficulty which is where The Game Plan really steps up a level and strategies are tested. The Game Plan brings so much drama and theatre into your team challenge program! There are many options to this exciting program that we can offer your group.

## Out-think!

Teams need to strategize and decide which activities to do as some have more points than others due to level of difficulty or time involved.

## Out-do!

Teamwork is put to the test and they have to perform to the best of their ability against other teams to get the most points. Program features

- Maintains intensity from beginning to end
- Fabulous twist with the combination of strategy and risk taking
- Allows all members of the team to show their talent and play what they would like
- Combines mental, physical and artistic challenges as well
- Can be customised to suit your group
- Excellent for large groups no matter their size
- Can include inflatables as activities and carnival themes

The Game Plan is a great way to get people out of the conference room and into a fun and challenging environment.
