

Knockout challenge

An event like no other... big, bold and fun

If you were a fan of the 1970's show, you're going to love this unique teambuilding exercise. This is a light-hearted, fun event guaranteed to be a great laugh.

Events can be arranged at your place of work or any location you might have in mind.

The It's a Knockout! show is a team event with each team consisting of between six to ten members. Physical and mental activities await the teams, as they prepare to battle it out, challenging each other for the best demonstration of skill, judgment, talent and luck to score points. Points are scored on merit and on how each team performs together in games which involve climbing, sliding, swimming, over, into and in and out of funny situations.

Above all, everyone gains a great sense of camaraderie and enjoys loads of laughs in a safe friendly environment.

Each Knockout! event we provide is accompanied by our disco road show—cool blends of music, old and new. Cameras video the event with the option for a live telecast rerun during dinner, followed by awards and a disco into the night.

With a wide selection of activities, Knockout! can be a corporate gala team extravaganza event. Fully MC'd and staffed with a running score board, teams also have the choice to incorporate a live casino to increase the odds!
