

Sporting chance

Remember the days when you competed in the annual Sports day – Crowds cheering you from the side line and sporting your very best green stripe Volley's and raced in your house colours. Running as fast as you possibly could to earn those valuable points for your team in the hope that you achieve hero status amongst your chums. Nothing quite like it!

How it works:

Guests are divided into pre-selected teams and then compete against their colleagues for points to help their 'house' climb the league ladder and become Sports Day Champions. Do you have a steady arm for the egg and spoon race ... can you run 50 metres with a balloon between your legs ... are you confident enough in your sack race skills to play your 'Joker' and win double points? Duration: Normally runs for between 2 and 3 hours.

Suitable for groups of 20 plus

Please note that this is an example of how the event can be run.

The format and structure can be changed to suit numbers and requirements.

- Welly Wanging
