

Strictly come Dancing

Are you looking for a program that is totally creative, interactive and is a memorable teambuilding experience? Your answer is Murder on the menu for an evening of festivity, laughter and celebration!

“Strictly come dancing” is a great way to get people out of the conference room and into a fun and challenging experience!

The dance teachers are introduced to the group, then the stage is set for the afternoon and evening dance spectacular!

The audience will immediately warm and see the fun side to the teambuilding event. Groups are assigned to a dance teacher with each group mastering one particular style of dance from funky hip hop, the intense partnering in rock n roll to some jazz or ballroom classics. There are a whole range of styles to put on display.

Groups spend the afternoon working together in their allocated teams and focus on just one style and choreograph a performance for the EVENING SHOW...

The delegates are the stars of the night show. Prizes are awarded and are a highlight of the night, and there can be a mix of serious and funny ones:

- Best Female Dancer
- Best Male Dancer
- Best Dancing Couple
- Best Group Performance

“Strictly come dancing” is two programs in one. It caters for both the night piece of your conference and an afternoon segment as well.
